

**Thank You Message from
District Chairman Sakunthalai Kumaraswamy
District Chairman 2017–2018 (District 330)**

I would like to take this opportunity to thank firstly, IIW President Dr Kapila Gupta for gracing our Joint 38th AGM in Singapore in spite of her busy schedule.

My heartfelt thanks to District Chairman 331 Lucia Goh for being a true friend, who has been very understanding and promoting the objectives of Inner Wheel.

My sincere appreciation to the Organising Chairman DNR Nany Gotze and her Committee Members.

It is unfortunate and regrettably sad that we will not be having a Joint AGM from next year and I sincerely hope our relationship will not be hampered by this decision.

My special thanks to IIW Board Director Datin Pearl, National Representative Rokiah Staun, the Members of District 330 Executive Committee and to Media Manager Yeok San for helping and sharing their experiences during my period as District Chairman.

A big thank you to all Club Presidents, Delegates, Sisters who attended this AGM and to all the Sisters of District 330 for supporting me throughout my year to carry out the various Community Projects to “Leave a Lasting Legacy”.

Thank you.

Yours in Inner Wheel Friendship,
Sakunthalai K.
