By Club Correspondent Ivey Tan

IWC Pearl of the Orient held their 6th installation on 12th Aug 2018. The theme chosen was Sporty and Stylish. Our Guest of Honour, DC Mdm. Peggy Khoo, NR Datin Seetha and our Club Advisor PIIWBD Datin Pearl Jai Mohan were here to grace our occasion. We are indeed very happy and thankful to all sisters of IWC Penang, Taiping, Ipoh, Ipoh East, Apsaras, KL and Selangor who gave us such fantastic support. It was a day of fun and enjoyment shared by all, a day of true Inner Wheel fellowship. The bonding time and rapport was so great that it remains memorable for us.

INTRODUCTION OF OUR 6TH PRESIDENT DR JANET LIM

By Club Secretary Merlin Angeline Gasper

As OGP Shirlynn is not here today, she has asked me to do the honor of introducing our Incoming President Dr Janet Lim.

I first met Dr Janet in 1995, 23 years ago at the beginning of my nursing career. She gave us a talk on grooming and self-image and I was struck at how poised and well-spoken she was, and the impact of that short course, has been imprinted in my young mind, so much so that I can tell today, those lessons, are still lessons I follow. That's the type of person Dr Janet is. She is impactful, respectful and above all, generous in the giving of herself, to all of us, to her family & especially to her grandchildren.

Many of you here today, do not need an introduction of this dynamic & resourceful mentor because I am sure, she has already touched your life somehow. Our members look forward to a year of inspirational leadership under her watch and care.

Speech by President Dr. Janet Lim

A very good afternoon to our Guest of Honour Inner Wheel Districts 330 District Chairman (DC) Peggy Khoo, Inner Wheel Districts 330 & 331 National Representative (NR) Datin Seetha Lakshmi, our Club Advisor & International Inner Wheel Past Board Director (PBD) Datin Pearl Jai Mohan.

Ladies & Gentlemen.....

Thank you for your gracious presence today. Your making time & effort to attend our installation event especially on a Sunday is indeed awesome.

Taking over the baton from IPP Shirlyn is a heavy responsibility because commitment, enthusiasm, with the spirit and passion to serve is crucial for healthy leadership being the driving force to gather the rest of the Inner Wheel sisters working towards the International Vision, Mission & Objectives of Inner Wheel.

This driving force must be founded by Passion otherwise the fire of excitement will be extinguished.

Allow me to bring you all "DOWN MEMORY LANE". A touch on History is vital. Today the club stands strong, though small, its success today is History.

From the efforts of our Chartered President, our Pearl of the Orient, flourished with Secretary Merlin taking over as President, and historically the Club grew stronger under PP Ivey and became strongest under IPP Shirlyn. For me to carry on this tradition of excellence and to bring the club to the next level of success, before this baton is to be proudly presented to my VP Helen by term end, is not easy mettle.

Nevertheless, we are blessed, that we have an excellent team from IPP to Exco and all sister members. Big tasks, small tasks, they have graciously contributed.

Our proposed plan this year is fun & fellowship outdoor activities, followed by projects, workshop sessions, with joint club events in the pipeline.

In conclusion as we “Empower & Evolve”, we can leave behind a legacy as we have touched Hearts all the way in our Inner Wheel journey. Ladies we are born to stand out, don’t fit in. Empower & Evolve.

Thank you all & God Bless us all.
