DISTRICT 330'S FAMILY IS EXPANDING

1. On 30th of September District Extension Chairman (DEC) Ambika Menon and her team travelled down south to Johor Bahru to host an interest meeting with like-minded ladies there. Their venture was a successful one as they were able to garner enough support for the formation of a new Inner Wheel Club. So there we have it – the 21st addition to our vibrant family.
2. From south to north. DEC went to Butterworth this time for another interest meeting that was held on the 7th of October 2018. She was accompanied by District Chairman Peggy Khoo, Past District Chairman Parimala Satheesan and President of Inner Wheel Club Apsaras, Kamala A. Yeap, who acted as the liaison person. The turnout was first rate which made the visit worthwhile. 22nd member Club of District 330 in the offing.
