

DC'S VISIT

The Inner Wheel Club of Selangor was delighted to welcome our District Chairman Peggy Khoo and District Secretary Shanti Menon to a hi-tea on 24th of November 2018.

It was a productive and fun-filled afternoon. DC briefed us on her activities and the World Inner Wheel Day that will be held in Penang on January 12th 2018. She encouraged us to attend as it promises to be an interesting and historical event. The event will be significantly memorable as our IIW President Christine Kirby has confirmed her presence.

Our President Molly Nair was unable to attend as she was overseas. Her absence was acutely felt. Nevertheless, our Vice-President Jasbir Kaur stood capably in her place and conducted the meeting efficiently.

Once the formal activities were over, members indulged in heaps of food and drink in an atmosphere of camaraderie and conviviality.
